Date of Approval:

Review Date:

Signed

Staff Coordinator for Child Protection:

Mr Andreas Huws

Responsible Governor:

Mr Peter Davies OBE

Headteacher:

Mr Andreas Huws

Purpose of the Policy

'Do the fundamentally good things that keep children safe.

The following individuals are the Safeguarding Children Designated Persons at the school: Mr Andreas Huws (Headteacher)

Person Safeguarding Children Deputy Liaison: Mrs Dawn Hoban (Assistant Headteacher)

Designated Governor for Safeguarding Children: Mr Peter Davies OBE

1. Introduction

1.1 Canolfan Addysg Y Bont fully recognizes its contribution to child protection.

There are four main elements to our policy:-

- a) prevention of harm through teaching and pastoral support offered to pupils;
- b) procedures for identifying and reporting on cases, or on cases where abuse is suspected;
- c) due to the daily contact between staff and children, we are in an advantageous situation to identify any signs of abuse and to offer:
- d) support for pupils who have possibly been victims of abuse.

1.2 Our policy applies to all staff and volunteers who work at the school including our Governors. A teaching assistant, break or lunch time supervisor, carer, secretary, technical or administrative member of staff might be the first person a child informs of being abused.

2. Prevention

2.1 We recognize that high self-esteem, confidence, supportive friends and good lines of communication with reliable adults reduces the risk of substantial harm to children by keeping them safe.

With comprehension of this, the school will:

- a) establish and maintain an ethos where the pupils can feel safe and are encouraged to speak openly and to be listened to by any member of staff at the school;
- b) ensure that pupils know that there are adults at the school whom they can turn to in distress for advice and feel confident that they will be listened to fairly without prejudice;
- c) include PSHE activities and opportunities across the curriculum to develop the necessary skills to safeguard themselves from abuse and to know to whom to turn for help;
- d) include material in the curriculum to assist pupils to develop realistic attitudes towards life responsibilities, especially in terms of caring for children, bringing up a family and being good parents.

3. Procedures

3.1 We will adhere to Wales Safeguarding Procedures approved by the Local Safeguarding Children Board .

3.2 The school will:

- a) ensure that a member of the Senior Management Team has been deputised by the Headteacher, who has the main responsibility for Safeguarding Children and has received appropriate training;

- b) acknowledge the role of the Designated Co-ordinator for Safeguarding Children, arrange training and provide support. All member of staffs involved in Safeguarding Children will have received the appropriate Level 2 training[under review] which has been approved by the Local Safeguarding Board.
- c) ensure that all members of staff and each governor is aware of:-
- The name of the designated person and their role;
 - The correct procedure to follow if they suspect that a child is enduring or is at risk of enduring substantial harm
 - Their responsibility as individuals to refer child protection concerns by using the correct channels and within the deadlines agreed with the Local Safeguarding Children Board;
 - How to address those concerns if the designated person is unavailable and understands the process of referral;
 - The referrals process if there are concerns about the Headteacher.
- d) ensure that members of staff are aware of the need to be aware of signs of abuse and know how to respond if a child alleges that they are abused;
- e) understand that it is required to keep a detailed and accurate record of any disclosure made by a child who raises a concern
- f) ensure that parents understand the responsibility of the school and of the staff in terms of safeguarding children by noting those responsibilities in the school prospectus, and raising awareness of the contact numbers on the school website.
- g) understand that a pupil can be referred to Social Services either as a child in need of early intervention or for care and support with parental consent or as a child at risk of substantial harm). It is important that staff, pupils and parents understand that there is NO need for parental consent to refer to Social Services if a child makes an allegation of abuse against a parent and is suffering or is likely to suffer substantial harm. . Social Services and the Police will need to commence an initial assessment which will involve speaking with the child as soon as possible. However in majority of cases , if it is safe to do so, communicating with parents where there are safeguarding concerns is seen as good practice
- h) provide child protection training to all staff through the authority's level 1 training package which is updated annually. Level 2 and 3 training will be provided to the Headteacher, Designated Person and Designated Governor by the Education Department every two years. This training is to ensure that everyone understands;
- Their own responsibility;
 - The locally agreed procedure;
 - That there is a need to be vigilant to identify the symptoms and signs of abuse; and
 - How to support a child who alleges that abuse has occurred.
- i) notify the local social services team if:
- A pupil placed on the child protection register is excluded either for a fixed term or permanently; and

- If a pupil who is on the child protection register is absent from school without an explanation for more than two school days (or for a day following a weekend);
- j) develop an effective link with the appropriate agencies and collaborate on enquiries into abuse including being present in the case from the start in safeguarding children conferences, core groups and presenting written reports to the conferences.
- k) keep written records of concerns about individual children (including dates, incidents and the measures taken), even if there is no need to refer the matter immediately to the authorities;
- l) ensure that records about cases are always safely locked away and key in the office of the Deputy responsible for safeguarding children;
- m) adhere to the procedures mentioned in the Welsh Assembly Government guidelines in the circular 45/2004 Disciplinary Procedures.

4. The Recruitment and Staff Appointment Procedure in Schools

- 4.1. Ensure that the recruitment and staff appointment procedure complies with the Council Policy relating to DBS Procedures and the Disclosure Policy.
- 4.2. Appoint a designated Governor with responsibility for Safeguarding Children who will supervise the school's safeguarding children policy and its administration.

5. Support for the At Risk Pupil

- 5.1 We acknowledge that children who may be at risk of substantial harm, face abuse or have witnessed violence, may suffer terribly as a result.
- 5.2 The school may be the most stable, quiet and stable part of the child's life. However, a child who suffers at home can behave in a way that attracts attention, whether it be through challenging behaviour or through out of the ordinary behaviour.
- 5.3 The school will try and support the pupil through:
 - a) the school ethos which:
 - promotes a positive, supportive and safe environment; and
 - facilitates each individual pupil as a valuable member of the school society.
 - b) adhering to the school's Behaviour and Disciplinary Policy which specifically refers to vulnerable pupils. Each member of staff has a positive attitude which focuses on the child's behaviour without harming the young person's self-respect.
 - c) ensuring that the pupil realizes that some behaviour is unacceptable, that every individual is important to the school and that they realise that the child is not to blame for any abuse that has occurred.
 - d) contacting other pupil support agencies, such as Social Services, Children and Young People Mental Health Services, the Education Psychology Service, Behaviour Support Services and the Inclusion in Education Service;

- e) keeping clear and concise records and informing Social Services if there is a regular concern about a child;
- f) ensuring that information about a young person on the child protection register who is leaving the school is immediately transferred to the new school and notifying Social Services.

Refer a Child in need of Protection to the Social Services Department

6. Consent

- 6.1 The Designated Safeguarding Person has to make a judgement if the nature of the allegations, especially if they are against a parent or anyone who shares a home with the child, is NOT appropriate to discuss the matter, or obtain parental consent before transferring the matter to Social Services or Police under the appropriate safeguarding children procedure.

7. Anti-bullying

- 7.1 Our policy on anti-bullying is noted in a separate document and this is annually reviewed by the Governing Body.

8. Reasonable Force

- 8.1 Our policy on safe intervention is noted in a separate document and this is annually reviewed by the governing body.

9. Children with a Special Educational Needs Statement

- 9.1 Statistically, children who have disabilities and behavioural problems are the most vulnerable. Members of staff who deal with children with serious and multiple disabilities or sensory impairments must be very alert to signs of abuse.
- 9.2 Statistically, children who are Looked After are at greater risk of further harm

10. Dealing with an allegation that a member of staff is responsible for abuse.

- 10.1 If an allegation of abuse is made, the Headteacher should refer the matter to the Referrals Team in Social Services and immediately inform the Local Education Authority. However, it must be accepted sometimes that the situation must be dealt with there and then and the school should follow the steps below at that time:

Step 1 EACH member of staff who witnessed the incident must provide a verbal and written record to the attention of the Headteacher regarding the allegation(s) (*unless the allegations are against the Headteacher - see below).

Step 2 The Headteacher/Manager must assess the risk to the child immediately and determine what would be best for the child (medical advice will possibly be required).

Step 3 If a member of staff does not know about the accusations, it would be wise to obtain advice from Social Services and the member of staff should be informed that an allegation has been made against them. The member of staff should not be informed of who made the allegation.

Step 4 Depending on the seriousness of the accusation, the Headteacher might be required to keep the member of staff and pupil separate and decide whether or not the member of staff should be suspended from work. If a decision is made not to suspend a member of staff, it should be ensured that a risk assessment is undertaken on a joint basis by the Headteacher and the Chair of the Governing Body. Suspension should be considered as a neutral and impartial course of action.

Unless the member of staff already knows, the Headteacher has no right to state who is making the accusation, or any details about it.

In order for the investigation to be undertaken thoroughly, an immediate suspension might be required. The member of staff will have the right to contact their Union for advice and this is a neutral course of action. The member of staff must be given a contact name within the school who they can contact. The Member of staff must receive the phone number for the county's Counselling Service.

Step 5 Social Services must be informed as soon as possible once an accusation is made against a member of staff, and on the same day the matter is put before the Child Protection Designated Person.

The responsible member of staff should telephone 01248 725888 to speak to the Referrals Team from Social Services in order to receive advice and guidance.

Having received verbal information, the appropriate Senior Manager with responsibility in the Local Authority's Social Services must co-ordinate the response.

Step 6 It is essential that the LEA's Designated Officer for Safeguarding Children is informed of the allegations as soon as possible and on the same day the matter is brought to the attention of the Child Protection Designated Person, as they can also offer advice – Gerallt Roberts should be telephoned on 01248 752908 and the call should be confirmed by e-mail. Human Resource should also be made aware of any allegation against staff.

Step 7 The Anglesey Child Protection Referral Form should be completed as soon as possible with details of the child making the accusation and all known details about the incident. A further Part 5 form should be completed to give details of the staff accused

The forms should be e-mailed to the Anglesey Safeguarding Team, Teulu Môn: TeuluMon@ynysmon.gov.uk

At the same time, a copy should be e-mailed to the Designated Officer in the LEA:

geralltroberts@ynysmon.llyw.cymru

Step 8 Within 48 hours or sooner if possible, the Senior Manager of Anglesey's Social Services Department will call a strategy meeting where the Headteacher is invited to provide all available information at the meeting regarding : a) the child and b) the member of staff

*The Headteacher/Manager must inform the Chair of Governors about the accusation, and invite him/her to be present at the strategy meeting.

MINUTES

IT IS NOT THE HEADTEACHER'S ROLE TO INVESTIGATE THE ALLEGATION - THAT DECISION IS MADE IN THE STRATEGY MEETING.

However, the Headteacher will need to receive as much information as possible in order to obtain facts about the allegation. The information will be useful at the strategy meeting as they decide on the next appropriate steps.

11. Dealing with an Accusation against the Headteacher

11.1 If the accusation is against the Headteacher, the Chair of the Governing Body should be informed and it is the responsibility of the Body to inform the LA's Child Protection Designated Officer.

The Child Protection Designated Officer for Anglesey Council is Gerallt Roberts. Her contact number is 01248752908/ 07770642817 or geralltroberts@ynysmon.llyw.cymru

If Mr Gerallt Roberts is unavailable, then the Chair of Governors must contact the Director of Education by telephoning 01248 752916.

If the LA Officer is not available, or if it is decided that further advice is needed, this should come from the child protection designated manager in the Authority's Social Services. This is not the same as referring a case to the authority but it could help the authority and the school when assessing the situation and deciding on the most appropriate steps.

If the allegation involves an offence or if it appears as though a child has been harmed or is likely to be harmed, the LA and the school must immediately refer the case in accordance with child protection procedures as established by the Local Safeguarding Children Board. The case will be referred to Anglesey Social Services. The Police will intervene if the accusation involves an offence.

12. Dealing with an allegation against a member of the Governing Body

- 12.1 If an allegation is made against a member of the Governing Body, then as in Section 5 of the Wales Safeguarding Procedures Guidelines should be followed – In all cases Allegations of abuse regarding, or against a qualified member of staff or volunteer who is involved with children or vulnerable adults (or who manages/supervises/influences them), must also be referred to the LEA's Safeguarding Children Designated Officer.

TIME-SCALE FOR DEALING WITH AN ALLEGATION AGAINST A MEMBER OF STAFF, THE HEADTEACHER OR A MEMBER OF THE GOVERNING BODY

Step 1 The LEA's Social Services Department must be informed as soon as possible about an allegation of abuse / offence against a child by a member of Staff or the Headteacher, and on the same day the incident is brought to the attention of the Child Protection Designated Person, or any other member of the Governing Body.

01248 725888 should be telephoned to speak to the Duty Social Worker for advice.

*Having received details verbally, the response is coordinated by the appropriate Senior Manager in the Social Services Department.

Step 2 It is essential that the LEA's Designated Officer for Child Protection is informed of the allegation on the same day the allegation is brought to the attention of the School's Child Protection Designated Person or any other member of staff or Governing Body so that further advice can be provided.

01248 725888 should be telephoned.

Step 3 Within 48 hours or sooner if possible, the Senior Manager of Anglesey's Social Services will call a strategy meeting where the Senior Member of staff is invited to attend and submit all known information regarding:

- a) the child and b) the member of staff or Headteacher

(if the allegation is made against a member of staff or the Headteacher, the Chair of the Governing Body will be invited to the strategy meeting) An Officer from HR will also be present.

If the allegation is made against the Chair of the Governing Body, the Headteacher will attend the strategy meeting as well as the Governor with responsibility for Safeguarding Children.

The LA's Designated Person for Safeguarding Children or a representative of the Education Director will be present at each strategy meeting relating to a member of staff or the Governing Body. Also, a member from the Human Resources Department will be invited to attend.

13. Referral

Each case involving children must be referred by completing the Anglesey Social Services Referral Form, including as much information as possible.

If there is an urgent concern about a child's safety, the situation should be referred immediately by telephoning Anglesey Children Services or the Police. In such cases, the Referral Form will be completed and sent to the Referrals/Assessment Team on the same working day in accordance with WALES SAFEGUARDING PROCEDURES GUIDELINES.
